ANTIMICROBIAL WASH CAP

1 / 3

Practical and quick use by demand based cap application,
no rinsing necessary, microwaveable

Antimicrobial hair washing without water

Broad efficacy against bacteria including multi-resistant pathogens

HAND AND SKIN / DECONTAMINATION

DECONTAMAN PRE CAP

PRODUCT DESCRIPTION

2 / 3

DECONTAMAN PRE CAP is a ready to use washing cap for the antimicrobial cleaning of hair and scalp. **DECONTAMAN PRE CAP** allows a time-saving and thorough cleaning, especially for immobile patients, without additional rinsing

with water. The antimicrobial efficacy also allows the use within the whole body washing in case of colonisation with multidrug-resistant bacteria. The cap is made of a very durable, latex-free material and can be heated if necessary.

APPLICATIONS AND NOTES

Range of application

Acc. to Biocidal Products Regulation (BPR): Professional, antimicrobial cleansing of hairs and scalp in cases of colonization with multidrug-resistant bacteria.

Application

Carefully take the cap from the package, unfold it and place the cap on the head so that all hair is covered. Massage the solution thoroughly into the hair and leave to act for at least 5 minutes.

Application notes

Do not use in case of known intolerance to chlorhexidine and on injured skin. Strictly avoid penetration of the soaking solution into the inner ear and the eyes.

Heat in the microwave (750 W - 15 s).

Heating times may vary depending on the microwave. Before using the cap ensure that it is not too hot. Do not reheat already opened packages. The cap is disposable, for one time use only.

Composition

100 g solution contain: 2 g chlorhexidine digluconate. Contains perfumes.

Product status

Biocidal product (PT1)
BAuA-Reg.-No.: N-78013

Precautionary and hazard statements

Causes serious eye irritation. Harmful to aquatic life with long lasting effects. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. Avoid release to the environment.

For professional use only.

Use biocidal products safely.

Always read label and product information before use.
