Practical to apply thanks to gel form
Perfume-free, contains emollients for skin care

Effective against
noroviruses in
30 seconds

HAND AND SKIN / HAND DISINFECTION

ASEPTOMAN® GEL

PROTECT

PRODUCT DESCRIPTION

2 / 4

Virucidal, alcohol-based hand disinfection gel for application on the skin. **ASEPTOMAN GEL** is well tolerated by the skin and, due to its gel form, especially practical to use. **ASEPTOMAN GEL** is fragrance-free and free of cumulative long-term active ingredients that accumulate on the skin and can thus cause

skin irritation. In addition, **ASEPTOMAN GEL** contains high-quality refatting ingredients and humectants that prevent the skin from drying out. The product is compatible with all washing lotions, is phenol-free and contains no quaternary ammonium compounds.

APPLICATIONS AND NOTES

Range of application

Hygienic hand disinfection.

Application

Ready to use gel to be rubbed into dry hands. The hands must be kept moist by the undiluted product for the complete application time. If necessary, reapply hand disinfectant in portions.

Hygienic hand disinfection:	30 s
active against enveloped viruses:	15 s
limited spectrum virucidal activity:	60 s
virucidal:	90 s

Product status

Biocidal product (PT 1).
BAuA Reg.- No. N-117530
CH: CHZN 2889

Composition

100 g contain: 84.3 g ethanol.

Precautionary and hazard statements

Highly flammable liquid and vapour. Causes serious eye irritation. Harmful to aquatic life with long lasting effects.

Keep out of reach of children. If medical advice is needed, have product container or label at hand. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep container tightly closed. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. Dispose of contents/container to approved disposal company or local collection.

Store away from UV radiation.

For professional use only.

Use biocidal products safely.

Always read label and product information before use.
