1 / 3

Intensive care of dry and scaly skin

With aloe vera, jojoba oil, panthenol and vitamin E

Dermatologically tested

SKIN & HANDS / HAND AND SKIN CLEANSING, CARE AND PROTECTION

DESCOMED ÖLBAD

PRODUCT DESCRIPTION

2 / 3

DESCOMED ÖLBAD is a high-quality bath additive containing valuable skin care oils such as rapeseed and jojoba oil, which leave a pleasant, nourishing film on the skin.

DESCOMED ÖLBAD is therefore suitable as a bath additive for dry, irritated, and flaky skin, e.g., in elderly patients and in cases of dry eczema.

APPLICATIONS AND NOTES

Range of application

Skin care bath additive (for showering and baths) for dry and scaly skin.

Application

When taking full baths, add 20 - 30 ml of DESCOMED ÖLBAD to the bath water. When showering, spread DESCOMED ÖLBAD onto the skin along with water. If the skin needs even more lubrication, the dosage can be increased. For optimal skin care, avoid taking hot showers as well as vigorous drying.

Ingredients

PARAFFINUM LIQUIDUM, BRASSICA CAMPESTRIS SEED OIL, LAURETH-4, ISOPROPYL MYRISTATE, PARFUM, SIMMONDSIA CHINENSIS SEED OIL, PANTHENOL, TOCOPHERYL ACETATE, ALOE BARBADENSIS LEAF EXTRACT, GLYCINE SOJA OIL, AQUA

Important information

As DESCOMED ÖLBAD is a product containing natural oils, the formation of a brownish precipitate may occur. This is no sign of a quality defect. Shaking restores a homogeneous product.
