- Hypoallergenic¹ oil-in-water emulsion for allergy-prone skin
- Unique dual action formulation: Protects the skin against water-soluble substances while nourishing and moisturizing at the same time
- Protective effect confirmed according to recognized test methods (according to TRGS 401/ABD)
- With glycerine, lipids and a natural deodorant complex with witch hazel for a pleasant skin feel
- Perfume and dye-free

Product description

DESCOLIND EXPERT PROTECT CREAM with 2 in 1 effect was specially developed to protect and care for sensitive and allergy-prone hands while you work. The oil-in-water formulation is extremely easy to apply, absorbs quickly into the skin and minimizes work interruptions. DESCOLIND EXPERT PROTECT CREAM contains nourishing lipids and conditioning ingredients such as witch hazel, which leave your skin feeling smooth and supple. It is suitable for daily use before doing jobs that are hard on the hands, providing protection in wet environments and preventing cracked and chapped skin.

The protective effect of DESCOLIND EXPERT PROTECT CREAM against water-soluble substances (surfactants and alkalies) has been verified using recognized testing methods. DESCOLIND EXPERT PROTECT CREAM is also free of fragrances, so it meets the requirements of the German employer's liability insurance association², the DAAB, the TRGS 401 rules on skin contact, the AWMF guide-

line for hand hygiene, and food safety (HACCP). It is also suitable for use in wall dispensers.

Range of application

In all medical areas for hand and skin care, after frequent contact with water and soap.

Application

Thoroughly massage DESCOLIND EXPERT PROTECT CREAM into your hands before starting work, before any tasks involving contact with moisture, before wearing gloves and after breaks. When applying DESCOLIND EXPERT PROTECT CREAM pay particular attention to your wrists, your fingertips, interdigital area and nail folds.

Ingredients

AQUA, ISOPROPYL PALMITATE, PARAFFINUM LIQUIDIUM, GLYCERIN, POLYGLYCERYL-3-METHYL-GLUCOSE DISTEARATE, PEG/PPG-25/25 DIMETHICONE, GLYCERYL STERATE, STEARYL ALCOHOL, HAMAMELIS VIRGINIANA LEAF EXTRACT, XANTHAN GUM, PROPYLENE GLYCOL, TRIETHYL CITRATE, CITRIC ACID, HYDROXYACETOPHENONE, PHENOXYETHANOL.
